

Steffi's Cloud – faster Blog – owncloud on speed

Today, I very happy to announce that I was able to improve my blog even though I am very new to blogging. But the results are incredible!!

Google says, my website is now mobile friendly!

Several webpage speed provider says: FANTASTIC!

79% faster than other blogs, thanks to my new theme (more in my newsletter)

156 ms / 58 requests ~ 2.7 ms (average)

0 ms / 58 requests ~ 0.0 ms (average)

138 ms / 58 requests ~ 2.4 ms (average)

3 ms / 58 requests ~ 0.1 ms (average)

1419 ms / 58 requests ~ 24.5 ms (average)

320 ms / 58 requests ~ 5.5 ms (average)

Total bytes 1038.7 kB

Number of requests 58

A faster blog brings my owncloud on speed. It will response really quickly, so that all my readers can fulfil their dream of their own cloud my easier and faster!

Have fun!

Thank you to all my readers!

Best regards,

Stef.
